What to bring?

Please bring a packed lunch for the afternoon sailing and a refillable water bottle. An evening meal will be served on the return ferry home (the children have already chosen their meal and this has been passed on to the travel company).

Medication?

Your child must bring any medication they require on a daily basis (inhalers etc.). We would strongly advise that your child is administered travel sickness medication, particularly if they are not used to travelling by coach or boat. This should be administered by parents prior to departure and staff will then supervise administration on their return. **An administration of medicine form is attached and should be handed into the office no later than Thursday 25th April along with any travel sickness medication.**

Spending money?

There is a gift shop at the Museum. Pupils can bring a maximum of £10 to spend.

Mobile phones?

Pupils are not permitted to bring mobile phones. Staff will be taking pictures using the school's iPad and will update Twitter through the day, depending on wifi availability.

Please complete the attached consent form and return to the office.

Yours sincerely,

Mr. D. Murray
