Head Teacher's Message

Dear Parents,

I can't quite believe that I am writing the final newsletter of this academic session! Where does the time go? We continue with transitions this week, P6 will be visiting Bellshill Academy on Tuesday 11th June. The children will be escorted to and from the Academy by school staff. The children will be back just in time for lunch so should bring a morning snack with them. Primary 1 will make their final visit this week on Thursday 13th June and have the opportunity to sample the school lunch menu. Primary 6 children have been fantastic buddies to the children.

I am currently working on the class structure for next session and it is my intention to let you know who your child's class teacher is when this is finalised. Our school roll for next session will be 268 children, therefore, there will be 11 classes.

Thank you to those who have contributed to our questionnaires recently to help us identify our next steps in improving our school. Our school improvement priorities will be based on:

- Creating exciting learning experiences through improved learning and teaching approaches.
- Improving attainment in literacy and numeracy through moderation with Bellshill Academy Cluster schools.
- Improving learners' mental and social wellbeing through nurture and developing a rights based curriculum.

Copies of the improvement plan will be issued once this has been finalised with North Lanarkshire Council. Our school improvement plan will also outline details of how we intend to spend the Pupil Equity Fund to raise attainment and narrow the poverty related attainment gap. The Pupil Equity Fund will align directly with our school improvement agenda.

Yours sincerely,

Mr Daniel Murray
Head Teacher

Primary 6 Buddies

The children in Primary 6 have been fantastic buddies to our new Primary 1 children, helping them to settle into class during transition visits. Primary 6 have now put some finishing touches to their 'buddy box' which will be issued to our new intake on Thursday.

OUTDOOR CLASSROOM DAY

Outdoor Classroom Day - 14th June 2019

We are hosting our very own Outdoor Classroom day on Friday. The children should come prepared for being outdoors that day.

UN Convention on the Rights of the Child

6 I should be supported to live and grow

Right of the Month

Our focus this month is: **Article 6**

I should be supported to live and grow.

Article 6 of the UNCRC recognises that all children and young people have the right to survive and the right to develop. It also says that the government should work to prevent the deaths of children and young people.

Steps the government can take to do this include:

- investigating and reporting the causes of death among children and young people
- making sure steps are taken to prevent suicide among young people
- making sure steps are taken to prevent traffic accidents that happen to young people.

Sponsored Line Dance

We would like to take this opportunity to thank all the parent/carers for their support in our sponsored event and we are delighted to announce that we have made over £1400, the pupils had a super day and really enjoyed the challenge.

End of Term Lunch Arrangements

Primary 7

Can I wish all the Primary 7 pupils the very best of luck in the next part of their school career. Almost all pupils are heading to Bellshill Academy, where we can keep a very close watch on their developments. All pupils remain close to our hearts at Noble regardless of where they are. During their time here, the children have grown and developed so much and I would like to thank parents and carers for allowing us the opportunity to be positive influences in their lives.

Thank you

Can I take this opportunity to thank all parents, carers and friends of Noble for your continued support over the year. We have had a very successful year and I have thoroughly enjoyed leading the staff, pupils and parents through our ventures.

I hope you all have a relaxing peaceful (sunny!) summer and look forward to seeing you in August.
