Clyde in the Classroom

The children in primary 4 are visiting the Clyde in the Classroom exhibition at Glasgow Science Centre to make them more aware of the River Clyde and the fish that live in the Clyde on Thursday 16th January. This is the initial step for a project in the classroom which involves hatching trout eggs in a hatchery within the school and eventually releasing the fish into the Clyde. The cost of the outing is being funded by the Clyde River Foundation. Please ensure your child has a packed lunch on the day and is in full school uniform. If your child is entitled to a free dinner and you wish the school to provide a packed lunch, please tick the box on the consent form.

Could you complete and return the attached consent form.

Yours faithfully,

Mr D. Murray
Head Teacher
