Our shared vision: Working together to create a nurturing, inclusive, rights respecting community, where learning is exciting, challenging and relevant.

WE GOT THIS!

Head Teacher's Message May 2020

Dear Parents,

Greetings from Noble Primary School! I hope this finds you and your child/ren well and that you are managing to carve out a routine that works best for you and your family. As time goes on, I am well aware that everyone's experiences will continue to be different, and there will be days that are easier than others. Please let your child know that we are missing them and they are always in our thoughts. Tell them that, like them, we can't wait to return to our school building, to eat in our dinner hall, to play in our playground, to sing and dance at assembly, to celebrate achievements, and to see everyone safe and well. Recently, North Lanarkshire Council has produced some useful information to support children's wellbeing at home. This information for parents contains some useful ideas to support your child during this time. The link to this information can be accessed here: <https://tinyurl.com/ycp8skob>

Please know that we are here to support you and your family, at any time, and I really mean that. It is difficult to put into words how much we want things to go back to normal for everyone. If you need our support my email address is ht@noble.n-lanark.sch.uk or enquiries@noble.n-lanark.sch.uk. You may also wish to send us a direct message through our Twitter account (@Noble_p_s) or telephone us at St John Paul II PS on 01698 522723 where the Duty Head Teacher will pass on your contact details to me. We will do all that we can to offer support and advice during this time.

If you continue to have difficulty online, we will be organising another time soon for you to have an opportunity to pick up a learning pack and jotters.

Looking forward to seeing everyone again soon, and please pass on our best wishes to your child/ren.

Kind regards,
Daniel Murray
Mr Daniel Murray

STAY AT HOME	PROTECT THE NHS	save lives
<ul style="list-style-type: none"> • Only go outside for food, health reasons or work (where this absolutely cannot be done from home) • Stay 2 metres (6ft) away from other people • Wash your hands as soon as you get home 		

Perhaps you would like to apply for Free School Meals?

Perhaps your circumstances have changed and you now need to make use of this service?

Simply go to:

www.northlanarkshire.gov.uk/freeschoolmeals

or email FME@northlan.gov.uk

For many reasons, you may not be able to do every task, every day. This is totally understandable and parents should not feel pressured to do so. No family is in the position to replicate the school day and there is no expectation from the school for you to do that. Teaching Staff are doing their best to support learning and provide stimulating and appropriate tasks.

We do want you to continue to encourage your child or children to do their best to engage with learning opportunities. There is no pressure to post tasks online. However, it is a nice thing when Teachers and Children can interact sometimes through the class posts and through other chats, where you have the means to do this.

Supporting Children at Home

Even though we are not in our school building, we endeavour to support your child's wellbeing at all times. Please contact us if we can offer any advice or help.

North Lanarkshire Council has produced some helpful advice for primary pupils:

P1 Early: <https://www.northlanarkshire.gov.uk/CHttpHandler.ashx?id=24105&p=0>

P2 - P4 First: <https://www.northlanarkshire.gov.uk/CHttpHandler.ashx?id=24106&p=0>

P5 - P7 Second level: <https://www.northlanarkshire.gov.uk/CHttpHandler.ashx?id=24107&p=0>

Primary 7 Transition Activities - Bellshill Academy

We are fortunate, that our transition programme for P7 pupils is spread across the year. The children have already participated in a wide range of transition events including Science, Home Economics, Road Show, Art and Technical to name but a few. We have been working with Bellshill Academy to support some virtual transition work using MS Teams. Mrs McGraw will be issuing a letter with further details to all parents in the next few days. Please look out for this in your mailbox.

Reporting to Parents

Staff have completed your child's end of year report. The reports will be sent out in the next few days through email. Paper copies will also be issued when it is safe for us to return to school. If your email address has changed, please email us at enquiries@noble.lanark.sch.uk

Nursery to P1 Transition

Due to the current circumstances, we will have to review our transition programme for Primary 1 this session. As yet, we do not have enough detail to begin to plan for this but will keep you informed as soon as we do. Please reassure your child that we are very much looking forward to meeting them again soon and will work hard with you and feeder nurseries, to ensure they make a smooth and seamless transition to our school.

STAY AT HOME

PROTECT THE NHS

save lives

- Only go outside for food, health reasons or work (where this absolutely cannot be done from home)
- Stay 2 metres (6ft) away from other people
- Wash your hands as soon as you get home
