Head Teacher's Message

June 2020

Dear Parents,

Greetings from Noble Primary School. I hope everyone is doing well and managed to enjoy some of the recent sunshine. A lot of information has been issued from the Scottish Government relating to schools, since my last email. I hope to be in a position soon to inform you how this will operate in August. In the meantime, I would like to highlight the following points:

Planned Opening of School Buildings: Schools will reopen to all staff, following health and safety guidance, as of 8th June 2020, to allow staff to undertake preparations for next session. School staff are following guidance from the Scottish Government on the reopening of schools, which you can access here:

<https://www.gov.scot/publications/excellent-equity-during-covid-19-pandemic-strategic-framework-reopening-schools-early-learning-childcare-provision-scotland/> I hope to be in touch very soon, with information on how the blended model will operate in August. The most recent letter from North Lanarkshire Council can be accessed here:

Digital Access: If you are having specific difficulties, or have internet/device issues, please telephone the school this week.

New Term Date: At this moment, the new school term will be 11th August.

Transitions: We hope to have a short visit for our new Primary 1 pupils in late June. Plans for this are at the very early stages and are subject to change. Further information about transitions can be found in this newsletter.

Please keep an eye on North Lanarkshire Council's website for up to date details. As always, I would like to thank you for your continued support. We remain committed to providing the best provision and support under the current circumstances to our children.

Stay safe,

Daniel Murray

We have posted administration forms and would be grateful if you could return this information in the stamped addressed envelope provided. Thanks in advance.

Transition Visit

We are working on the possibility of the children making a visit to the school in very small groups. This is at the discretion of the Head Teacher. Mr Murray will be in touch in due course with further information. School Uniforms for August

We are conscious that some families usually begin to make arrangements for uniform at this time of year. Please be aware that there may be changes to uniform in light of health safety guidance. We will confirm arrangements over the next few weeks so that you can begin to prepare for next session.

Online Code of Conduct

As we begin to plan for a blended model of education, we recognise the increased use of digital learning and online contact. We have created an online code of conduct for all of our pupils and would ask you to read this through with your child.

Arrangement for Next Session

North Lanarkshire Council will make announcements to all parents shortly to outline their arrangements for schools in August. We will share this information as soon as possible. **If you have changed your email address, home address or changed phone numbers recently please update us** by email at enquiries@noble.n-lanark.sch.uk.
