Dear Parent/Carer,

I hope this letter finds you well and you are all coping under the current circumstances. My name is Mr Hamilton and I am the Depute Head Teacher with responsibility for Transition to Bellshill Academy. I appreciate this is an anxious time for P7 parents however I want to reassure all parents/carers that as a school we are doing everything we can to ensure your child has a meaningful transition to the Academy. So far we have organised for virtual transition assemblies to take place running alongside a transition booklet which is full of useful activities to allow your child to become familiar with high school.

In order to capture parents/carers views I would appreciate if you could complete the following survey. This information will be used to plan future activities for the youngsters and adults.

Like the rest of us I can only hope the ongoing restrictions are lifted soon which will allow us to meet face to face in Bellshill Academy. Up until that point I will continue to work with Primary colleagues to ensure your child's journey to secondary school is as smooth as possible.

Yours sincerely

Mr A. Hamilton
Depute head teacher
