Dear Parent/Carer,

### Accessing Work at Home

First and foremost can I thank everyone for their patience and understanding, after all the technical issues that have occurred today.

There seems to be some confusion surrounding pupils accessing Microsoft Teams and the NL Virtual School.

Pupils should be joining their class page using the Microsoft Teams app or through GLOW as their first port of call for online learning.

The NL Virtual Classroom is an additional resource. The Virtual Classroom was primarily set up for pupils who were self isolating and has now been made available to all pupils.

The main learning will be on Microsoft Teams and on occasions pupils may be directed to the NL Virtual Classroom by their teacher.

If your child chooses to use the Virtual Classroom independently, they are more than welcome to do so.

Yours sincerely,

A handwritten signature in blue ink that reads "Daniel Murray".
