## Lining Up

The children should line up in their usual lines for entering the school.

## Drop Off and Pick Up Arrangements

With the phased return about to start, we have staggered start times for classes to ease congestion at the gates. A member of staff will be there to support the children on entry. We would politely ask you to drop off and leave as quickly as you can. Scottish Government has asked all schools to remind parents to observe 2m distancing and to wear a face covering at all times, unless you are exempt. If you need to speak to a teacher, please telephone the school.

## Playtimes

Each class has to remain within their own class bubble. This is for track and trace purposes. Each class will continue to have their own allocated area in the playground. This was already in place before the recent lockdown.

## Free School Meals

Please remember that all children in Primary 1 to 3 are eligible for free school meals. We will be following Week 2 of the school menu. Please click the link below for details.

A copy of the menu will also be sent out to you by email.

## Breakfast Club Arrangements

From 22<sup>nd</sup> February Breakfast Club is only available for vulnerable children and children of key workers.

## Remote Learning Engagement

We will continue with remote learning for P4-7. We may be in touch if we notice a decline in engagement. We understand that everyone's circumstances are different and want to offer any support or advice that we can that could make a difference. If you require any help at all, please email [enquiries@noble.n-lanark.sch.uk](mailto:enquiries@noble.n-lanark.sch.uk) or telephone 01698 274907.

## Additional Information

Please note that we may have to adapt our plans accordingly, in line with additional advice or following our own evaluation. I will share any updates with you as soon as I receive them.

Kind regards,

Mr Daniel Murray  
Head Teacher
