

Mrs Malcolmson & Mr Dornan

This newsletter is to inform you on what Primary 5/4 will be working on this term. We are very proud on how the class have returned to Noble and adapted to the recent changes and rules and routines. This terms main focus will be on Literacy, Numeracy Health and Wellbeing and Interdisciplinary Learning, below is some information on what they will be doing.

Literacy and English

This term the pupils in Primary 5/4 will be focusing on **Instructions and recount** genres and will continue to write **narrative** stories, as well as having opportunities for writing across the curriculum.

Core Target emphasis will focus on using adjectives, connectives and using neat handwriting.

The children will also continue to use NLC Active Literacy Programme for phonemes and spelling, along with Find it, Prove it, Talk about it and will continue to work on the 6 comprehension strategies.

Numeracy and Mathematics

The pupils will be experiencing a variety of concepts this term which includes Shapes and Patterns, symmetry and Handling data.

Number work will continue throughout the term mentally and in written form and will focus on multiplication, division and fractions.

Mental Agility focus this term is using the strategies for multiplication.

Health and Wellbeing

The 2 hours of Outdoor PE per week will include social distance playground games, athletics and ball skills.

HEALTHY: Pupils will be discussing Healthy Lifestyles which will include; learning about how to value themselves, look at each other's similarities and differences and how friends and family are important.

RSHP: Pupils will be learning about their body parts.

R.R.S.A.: The Rights of the Child being looked at this term will be the right to the best possible health, the right to meet with other children and the right to reliable information from the media.

BUILDING RESILIENCE: Pupils will be learning about respecting themselves by following the Building Resilience Pack to promote emotional health and wellbeing.

STEM: Pupils will have the opportunity to take part in planned activities as part of STEM week which

Interdisciplinary Learning (IDL)

Pupils will be learning about the history of The Romans, their Empire and what countries they ruled.

Homework

Homework will be set online and will include Literacy, Numeracy, Health and Wellbeing and IDL tasks. Homework will continue to be set on teams.
