

## Primary 6/5B Newsletter - April to June 2021

Mrs Fraser and Mrs O'Neill

### Literacy and English

This term the pupils in Primary 6/5B will be writing explanations, discussions and continuing to write narratives. The core target we will be focussing on will be proofreading and we will continue to work on handwriting and punctuation.

### Numeracy and Mathematics

The pupils will be experiencing a variety of concepts this term including; angles, symmetry and shape. We will be continuing our number talks revising all four operations.

### Health and Wellbeing

This term we will be learning about nurture and being included. This will include activities on resilience and the right to play. In our 2 hours of PE, we will be practising summer games and hockey. We will be investigating teamwork and leadership skills through fitness challenges.

### Religious Education

This term the pupils will be learning about Christian Weddings.

### Interdisciplinary Learning

Pupils in Primary 6/5 B will be learning about *The Caribbean and The Brain and How We Learn*.

### Spanish

Pupils in Primary 6/5B will be learning Spanish greetings and numbers.

### Homework

Homework will be issued weekly on Microsoft Teams.

Reading: Parents can pair read with their child and question them on the characters and storyline.

Spelling: Parents can support their child by reinforcing spelling.

Maths: Parents can help by reinforcing the skills taught in class, using Sumdog and Cool Maths games.

Interdisciplinary: Personal research where appropriate.
