

Ms Clark and Mrs Fraser

Primary 7B have settled back into school life well after the Spring Break and we continue to be very proud of how they have adapted to the changes, rules and routines in school. Below is just some of the things that Primary 7 pupils will be working on this term.

Literacy and English

This term the pupils in Primary 7B will be focusing on recount and persuasive writing. We will continue working through the spelling and reading programmes for the remainder of the year. We have just started reading our new class novel "The Mixed-Up Summer of Lily McLean" by Lindsay Littleton and we will continue to read through this.

Numeracy and Mathematics

Mental Agility focus this term is using different strategies to help with adding, subtracting, multiplying and dividing. The children will continue to challenge themselves using these strategies with the daily 'Chilli Challenge'.

The children will continue to revise their times tables through fun activities, such as 'Times Tables Bingo' and compete against each other in 'Around the World'.

The children will be focusing on the topics of Data Handling, Money, Angles and the Importance of Maths in the Wider World.

Health and Wellbeing

The 2 hours of Outdoor PE per week will include socially distanced playground games, fitness and team games.

HEALTHY: Pupils will be learning about leadership skills and teamwork.

R.R.S.A.: Pupils will be learning about the Right to play, rest and learn.

BUILDING RESILIENCE: Pupils will continue to work through the Resilience Programme and the particular focus this term will be on Growth Mindset.

Interdisciplinary Learning (ECO)

The children will continue to grow herbs and fruits from seed and will be helping to plant some of these in the new garden area in the school playground.

Interdisciplinary Learning (Orkney)

The children will be learning about the history and some of the visitor attractions in Orkney. The children will be looking at some of the differences of living on an island and comparing them to living in Bellshill.

French

The children will be revising vocabulary, learning the names of food and phrases to describe the weather.

Homework

Homework will be set online through Microsoft Teams and will include Literacy, Numeracy, Health and Wellbeing and IDL tasks.
