Dear Parents/Carers,

Start and End Times

I wrote to you before the October holiday to make you aware that schools were now able to review arrangements for staggered start/finish and break times. In light of this, we have taken the decision to reduce the times by 5 minutes. This means **those classes starting at 8.50am will now start at 8.55am**. Staff will be in the playground from 8:45am. Pupils must arrive close to their starting times as possible, particularly in wet weather. Arrangements for lines and gates remain the same.

For P2, P3, P4/3, P5/4, P5, start and finish time will now be:
8.55am - 2.55pm

For P1, P2/1, P6, P7/6, P7, start and finish time will remain the same:
9.00am - 3.00pm

Break Times and Lunch Times

I am pleased to say that we are now able to move towards having one shared break time and lunchtime. This has been carefully planned to ensure we meet all of the criteria within our guidance. The new times for break and lunchtime will begin on Monday 25th October. Please be assured that all of our procedures are kept under review.

We must however, continue to be cautious. All other mitigations will remain in place.

Thank you for your support with these changes.

Yours sincerely,

A handwritten signature in black ink, appearing to read "Daniel Murray".
