Dear Parent/Carer,

I am delighted that your child has enrolled at Noble Primary School. Starting a new school is a big step in your child's life and we want to work together to make their transition from nursery to primary as smooth as possible.

This year, it looks likely that we will be able to have our transition for pupils in person, and we will be in touch with dates of visits to the school in May and June. We will also be liaising with our feeder nurseries, of which we have over 6 this year, to ensure we are well planned in taking forward your child's learning journey.

To give you some more information about the school, I will be hosting a virtual transition meeting on Tuesday 26th April at 4pm, using the Webex program. An invitation will be emailed nearer the time. By that time, I will be in a position to share our transition visits, and answer any questions you have about the school.

I have also enclosed our School Handbook. More information can be found on our school's website, www.noble.n-lanark.sch.uk

To confirm that you will attend the virtual meeting, and to ensure we have the correct email address for you, please email enquiries-at-noble@northlan.org.uk - it would be helpful if you could put your child's name, your name, and whether you will be able to attend the meeting.

I look forward to meeting with you soon.

Kind regards,
