May 2022

Dear Parents and Carers,

This is a very busy term ahead and I hope this newsletter keeps you up to date with everything that's going on in our school. Various events have been planned for this term, so please keep the 'dates for your diary' section handy.

Thank you to those parents that managed to complete our online survey. We will use your responses to support our own self-evaluation processes and identify priorities for the forthcoming session. Our main priorities for next session will be rebuilding our parental engagement as well as raising attainment for all in literacy and numeracy. A more detailed overview of our priorities for next year will be issued at the end of the term.

In the meantime, if there is anything we can do to help or you have any questions about the school, please do not hesitate to get in touch. Thank you for your continued support.

Yours sincerely,

May: Right of the Month – Article 24

UNCR Article 24

I have the right to good quality health care, to clean water and good food

Article 24 of the UNCR says that healthcare for children and young people should be as good as possible and goes further than this by saying children and young people have the right to be both physically and mentally fulfilled.

Among other things, this implies that children and young people:

- should have good enough nourishment from their food
- should be able to live in a safe and healthy environment
- shouldn't be in danger at work.

Article 24 also says that children and young people have a right to information about their health. They should have a say in how they get this and be able to say what they like and dislike about the information they get.

P5/4 Enterprise Company – SHANARRI

P5/4 have been working especially hard over the last few weeks by participating in a range of enterprise projects, which have raised £267.00 so far. The children recently baked some crispy cakes to raise some money for the Ukraine appeal. The children would like to thank everyone that has supported their appeal, which raised £105.00. Their next project will be bottle lamps.

Engineering Workshops

During our recent in-service day, our teaching staff worked alongside Colin Dorman, STEM Lead for North Lanarkshire Council, to look at ways we can develop engineering skills across the curriculum. This week, Colin will be working with classes from P3 - 7, using a range of technology resources and speaking to the children about the different skills required to be an engineer. Keep an eye on Twitter for updates.

Pupil Progress & Snapshot Jotters

Teaching staff are busy writing your child's end of year report card, which will be issued in mid-June. On Thursday, the children will bring home their snapshot jotters to share their learning with you. This is a great opportunity for you and your child to talk about their successes and next steps in learning. It is important that jotters are returned the next day.

Nursery to P1 Transitions

On Tuesday 26th April, we held our first online transition meeting for our new children starting P1 in August. We are delighted to welcome the children for a few visits to our school on Wednesday 25th May, Thursday 26th May and Wednesday 8th June. Arrangements for the days have been posted to parents.

P7 to Bellshill Academy

There will be an information evening on **Tuesday 24th May** at 6pm in Bellshill Academy for all P7 pupils transferring in August. The children are excited to take part in their two-day transition experience on **Wednesday 25th and Thursday 26th May**. Please remember, the children should make their own arrangements for travelling to and from the Academy.

After School Clubs Update

Mondays	Football	3pm to 4pm	P7 pupils
Tuesday	Multi-Sports	3pm to 4pm	P3 pupils
Wednesday	Multi-Sports	3pm to 4pm	P2 pupils

Healthy Living Project

We are delighted to take part in the Healthy Living Project on **Wednesday 25th May**. In partnership with our local NISA store, P1-6 children will learn more about healthy lifestyles and how to prepare a healthy breakfast. The children will learn about the nutrients in food as well as an opportunity to sample some healthy fruits and veg.

**THE QUEEN'S
PLATINUM JUBILEE**

1952 - 2022

Celebrating the Queen's Jubilee

On **Wednesday 1st of June**, staff and children can dress down to celebrate the Queen's Platinum Jubilee. Each class will also organise their own 'tea party' in the afternoon.

P7s will have their celebration when they arrive back from Strathclyde Park (Wear Yellow Walk).

Sports' Day

We are hoping to have a Sports' Day this year on **Tuesday 7th June**. The children should wear their PE kit that day and bring a water bottle.

P7 Leavers' Celebration Afternoon

The P7 children will be arranging a few fund-raising activities over the next few weeks to help them raise money for their leavers' celebration afternoon. More information about events in school will be issued by the children later this week.

Sponsored Adventure Course – Friday 10th June 2022

Our Pupil Council would like to organise a sponsored adventure day on Friday 10th June. Sponsored forms can be handed in after the event, and will be issued this week. The money raised will be used to upgrade our school grounds.

Relationships, Sexual Health and Parenthood

Over the course of this month, all learners will be learning about different aspects of RSHP as part of the Health and Wellbeing curriculum. We will issue parents with an overview of what we teach at each stage, so that you can prepare for any questions at home. We find the follow video resources are helpful for parents:

Why does RSHP matter? <https://vimeo.com/361263347>

Are resources age and stage appropriate? <https://vimeo.com/361994410>

What is the role of parents and carers? <https://vimeo.com/511526438>
