Dear Parent/Carer,

**Open Hour - Friday 2<sup>nd</sup> December**

We would like to invite you to visit your child within their class on Friday 2<sup>nd</sup> December between 9.30am and 10.30am. During your visit, classes will be working on a STEAM activity (an activity which may be Science, Technology, Engineering, Arts, Maths related). Parents do not need to spend the full hour in class.

Although the teacher will be present, he/she will not be available for in-depth discussions, as the class will be working as near normal as is possible. We would ask that only one adult represents their child or children within one class. This is to reduce congestion within the school, and not overwhelm the children with too many adults. If you have children working across different stages, another adult may attend or you can split your time between classes.

**Please note, we kindly ask that there is no photography or filming as not all children have consent.**

We look forward to having you with us and thank you for your co-operation.

Yours faithfully,

A handwritten signature in black ink that reads "Daniel Murray".

Mr D Murray  
Head Teacher
