Noble Primary's Vision, Values & Aims

Our Vision:

Working together to create a nurturing, inclusive, rights respecting community, where all learners are supported and challenged to reach their full potential, through high quality learning experiences.

Our Values:

- Respect
- Achievement
- Resilience
- Honesty

Our Aims:

- Provide a nurturing learning environment where everyone feels safe, valued, included, and treated with dignity.
- Create high quality learning experiences that enable all children to become responsible global citizens, effective contributors, successful learners, and confident individuals.
- Provide a rich, broad and challenging curriculum that is relevant and responsive to the needs of all learners and the world around us.
- Build positive relationships between parents, community partners and other agencies to ensure we are *Getting it Right for Every Child*.
- Celebrate the wider achievements and aspirations of all learners, instilling a passion for life-long learning.

Noble Primary School

Curriculum for Excellence

Our Curriculum

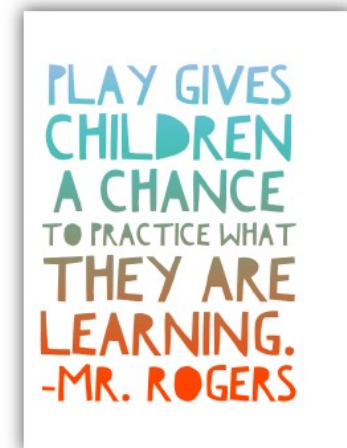

Play Pedagogy

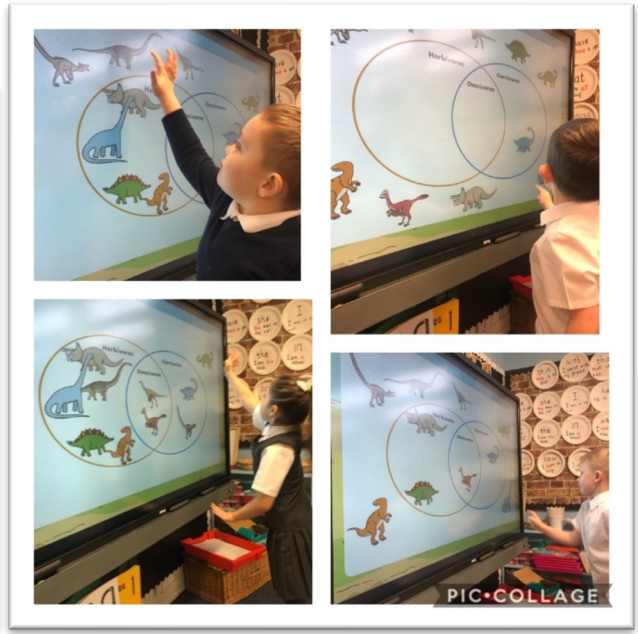

What is our rationale for implementing a play based approach?

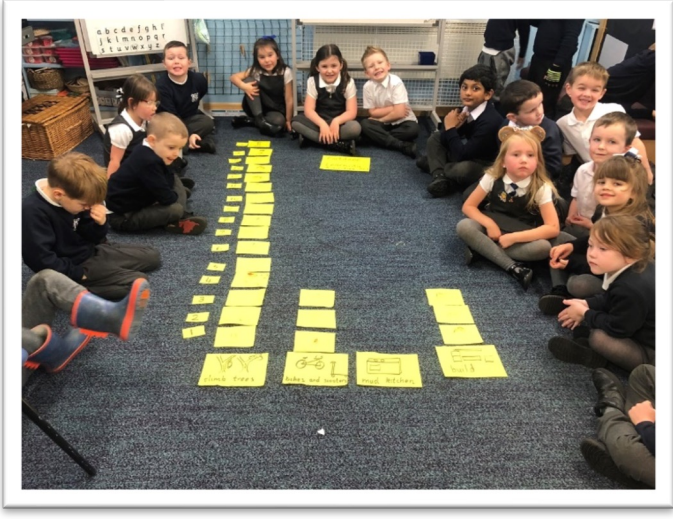

Research has shown that play allows children to use their creativity while developing their imagination, dexterity, physical, cognitive and emotional strength.

Ginsburg 2007

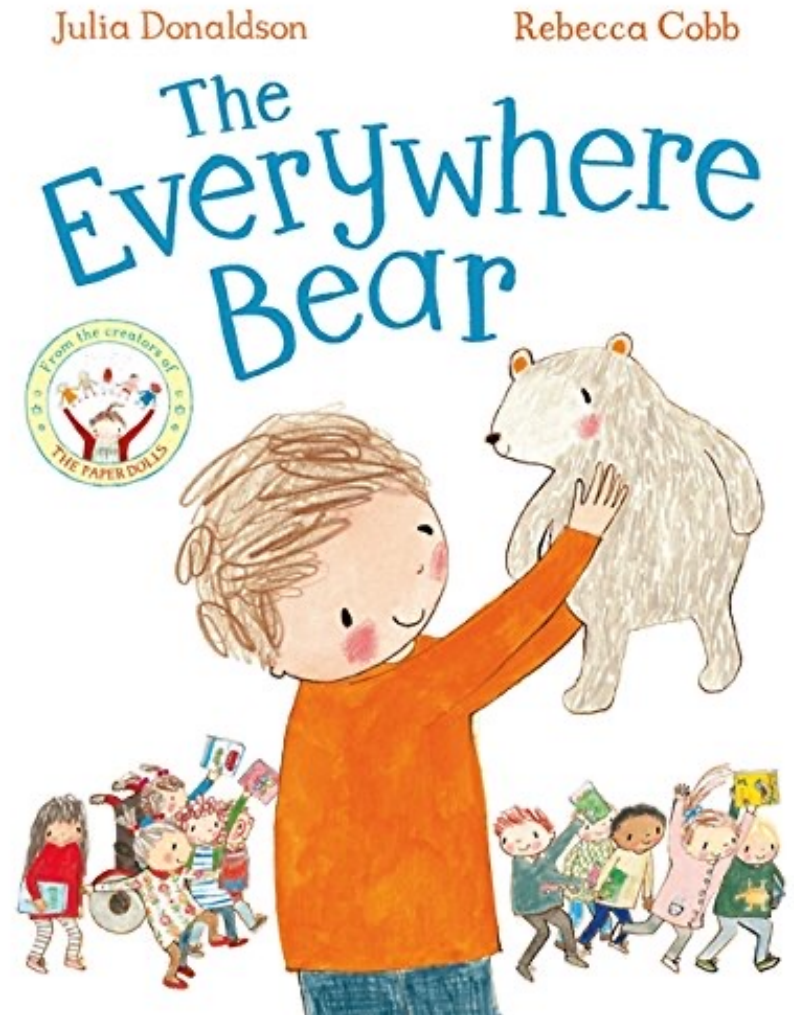

Your child will participate in a wide variety of learning experiences including outdoor learning.

Our Transition Programme

Our transition project:
The Everywhere Bear

Please check Twitter as this will be our main platform for posting activities and keeping in touch.
