Dear Parent/Carer,

At Noble Primary School we are organising a focus week called World of Work. This will run from week beginning 15th May 2023 and we are hoping to get as many parent/carers involved as possible to share their experiences of work with the children.

To take part in our WoW week you would be involved in speaking about:-

- what your job role is
- the skills and qualities that are required
- what qualifications may be needed for the job
- the route taken to get to your present position. Whether that was through university, college, an apprenticeship or work experience

We would like as many occupations represented as possible and if you are interested in sharing your involvement in the World of Work, could you please complete and return the tear off slip below to the school by Wednesday 10th May.

We can then discuss a suitable time, date and remember you could choose to speak at an assembly, to a class or classes or at a small group session.

Yours sincerely,

A handwritten signature in blue ink that reads "Daniel Murray".
