Message from the Head Teacher

Dear Parent/Carers,

Our final newsletter of the session is finally here! What another fantastic year we've had at our school - well done everyone! We all, the staff, pupils, parents and community, make Noble the fantastic school that it is. Thank you for your continued support.

To our P7 pupils - we are tremendously proud of you. We will miss you and we are in no doubt that you will continue to do well in the next chapter of your school career. Best of luck!

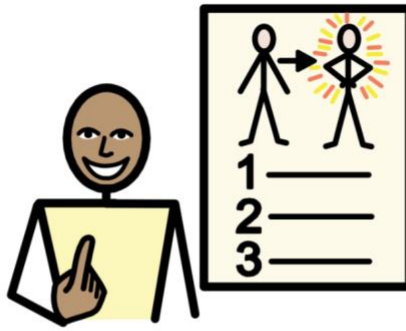

Finally, to all our families, have a fantastic and restful break when it comes.

Yours sincerely,

Mr Daniel Murray
Head Teacher

June: Right of the Month

UNCR Article 29

I have the right to an education which develops my personality, respect for others' rights and the environment

Article 29 of the UNCR says that a child or young person's education should help their mind, body and talents be the best they can. It should also build their respect for other people and the world around them. In particular, they should learn to respect:

- their rights and the rights of others
- their freedoms and the freedoms of others
- their parents
- the identity, language and values of countries— including their own.

Education should prepare children and young people for a responsible life in a free society. It should teach them how to live in an understanding and tolerant way that is non-violent and that respects the environment.

Sun Safety

Just a reminder:

Please keep your child safe in the sun:

- Apply sun cream before your child comes to school.
- Encourage your child to wear a suitable hat with good coverage.
- Long sleeves provide good sun protection.
- Provide your child with plenty of water in a sports cap bottle/s.

Classes for Next Session and Pupil Reports

Our school roll for August looks likely to be around 230 children. This means there will be 9 classes formed next year.

As soon as I have confirmation of staffing from the authority, I will be in a position to let the children know who their class teacher will be in 2023/2024.

Pupil reports will be issued next week.

Wear Yellow Walk and Teddy Bear's Picnic

P1 and P7 took part in two sponsored events on Wednesday 7th June to raise money for St. Andrew's Hospice. The P1 children held their own Teddy Bear's picnic, and P7 walked all the way around Strathclyde Loch. The children had a fantastic time, and hopefully raised an impressive amount of money. Thank you all for your generosity and support for this great facility.

Bellshill Academy Blazers

Logo express will be in school on Tuesday 20th June to measure P7 pupils for their blazer. Ordering and delivery instructions will be given to children on the day.

Focus on Attendance

We monitor pupil attendance daily. Regular school attendance will ensure that your child does not miss out on any key learning and teaching opportunities.

The average attendance rate across North Lanarkshire is around 95%. Your child's report will include a summary of their attendance at school. Below is an infographic of how that translates over the session.

School Priorities for 2023/2024

Next session, our school improvement plan will focus on the following three priorities:

Priority 1: The Bellshill Cluster Schools will continue to develop a collaborative approach to improving wellbeing and attainment.

Priority 2: Our school will continue to work on Literacy, embedding the good work we've started on using Talk for Writing. We will also have a focus on closing the poverty related equity gap.

Priority 3: We will be developing our curriculum offer to ensure it meets the needs and interests of our pupils.

Our Shared Vision, Values and Aims

Thank you to those of you that completed our consultation recently. We are using this feedback to make some changes. In the meantime, we are delighted to share our renewed vision for our school. This will help us shape our school improvement and curriculum over the next few years.

Our Vision

Working together to create a nurturing, inclusive, rights respecting community, where all learners are encouraged to achieve their full potential, through high quality learning experiences.
