Dear Parent

We have been selected to take part in a pilot project with The Necessary Space, through North Lanarkshire's Digital Schools. The aim of the project is to engage learners in the sustainable development goals, using digital and creative learning approaches.

The project will be delivered by Mrs Murphy, P6/7 teacher, alongside colleagues from The Necessary Space. Part of the learning resources involves using digital media.

Before we can begin engagement with the company, we need permission for your child to be filmed. Please return your child's permission slip before **Friday 18th August 2023**.

More information about The Necessary Space can be found here: <https://www.thenecessaryspace.com/>

I will be in touch with more details about the project soon.

Yours sincerely,

A handwritten signature in black ink that reads "Daniel Murray".

Mr Daniel Murray
Head Teacher
