## Message from the Head Teacher

Dear Parent/Carers,

I hope this newsletter finds you and your family well. The children continue to work hard to achieve their targets and next steps in learning. May we ask that children continue to attend school in full school uniform. Your support with this is very much appreciated. We are delighted to have Mrs Mitchell back in school and she is already hard at work. She helped plan for "Virgin Media" volunteers to help spruce up the bushes around our school. If there are any other parent volunteers who may be able to help our school in different ways and are available, then please let us know! Please make sure you look at our "What's on" on X to find out what is happening each week as we are coming into a really busy time.

On Monday during the Inservice Day, we have had our new outdoor classroom start to be built. We hope this will be an exciting addition to our school once finished. Once the weather is again above freezing, we will finally be having the Trim Trail areas that had been damaged replaced, which will be fantastic as the children have really missed it. We are working with the Pupil Council to revamp what is available in the playground, and they are currently looking at purchasing some equipment for the children to enjoy. Staff will be working on our Improvement Priorities in school then working with colleagues in our cluster.

I would like to remind parents and carers that while we do our best to have an open-door policy that it is not always possible for a member of the management team to be available immediately due to competing demands. Office staff will take messages and we can make calls or arrange appointments when suits everyone.

Best wishes,  
Mrs Brown  
Acting Head Teacher
