Dear Parent/Carer,

Keep Scotland Beautiful

Over the next two weeks, we will be participating in 'Spring Clean Scotland' to help tackle litter in our school and the local community. This links to UNCRC Article 29 - Respect for the Environment.

Every class will have one slot each week in the school grounds and will be supervised closely by their teacher. Every pupil will be using a litter picker, and no-one will be touching any of the litter. All litter will be put into bin bags, and we will count the number of bags collected at the end of the campaign. The results will be entered into a Litter League.

Please find attached a timetable for your child's class. It would be helpful if your child/children are dressed in outdoor clothes and have a change of footwear (wellies if possible).

We thank you for your continued support.

Yours sincerely,

Mrs M Bruce
Principal Teacher
