Our shared vision: Working together to create a nurturing, inclusive, rights respecting community, where learning is exciting, challenging and relevant.

Message from the Head Teacher

Dear Parent/Carers,

Over the past few weeks, it has been lovely to be outside more, having a bit of dry weather. The children are loving being outside and using the Outdoor Classroom resources.

There are lots of activities planned for all to the end of term with all classes going on an outing as well as lots of transition activities for pupils in the senior school. I would like to thank those parents/carers who have already volunteered for helping with some of these, it is really appreciated.

The P5-7 children are going to be taking part in a whole day of STEM activities in partnership with McTaggart's Construction in a couple of weeks and will certainly be learning about the World of Work.

To help us plan the next session's priorities, can I please ask families to take a few minutes to complete the Glow form sent home recently about our Pupil Equity fund and School Improvement priorities. We want to know the thoughts of our families and it is taken into account. I look forward to meeting you again at our Parent/Teacher Meetings on Wednesday 15th May, please sign up for a slot if you haven't already done so.

Best wishes,

Suzanne Brown
Acting Head Teacher

May: Right of the Month

Article 24

UNCRC Article 24

I have the right to be as healthy as possible

Article 24 of the UNCRC says that healthcare for children and young people should be as good as possible, and also goes further than this by saying children and young people have the right to be both physically and mentally fulfilled.

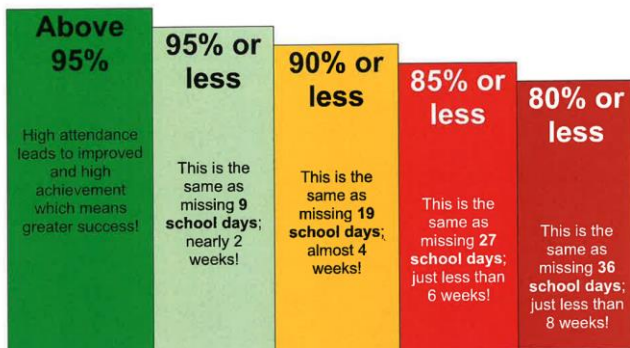

Among other things, this implies that children and young people:

- should have good enough nourishment from their food
- should be able to live in a safe and healthy environment
- shouldn't be in danger at work.

Article 24 also says that children and young people have a right to information about their health. They should have a say in how they get this and be able to say what they like and dislike about the information they get.

Improving Attendance at Noble Primary

It will come as no surprise that good attendance has a positive impact on all aspects of a child's health and wellbeing and general progress across the curriculum.

Please work with us to ensure your child has good attendance at school.

Headlice

At this time of year schools often find an increase in parents telling us about their child having headlice. Please be vigilant looking at your child's hair and if you need advice then speak to the local pharmacist who will advise on best products etc to use.

Primary 7 Transition Info

Wear Yellow Walk: The children will participate in the Wear Yellow Walk on Wednesday 7th May. This sponsored event raises much needed funds for St Andrew's Hospice, Airdrie. Pupils should aim to have their sponsor money returned by Friday 16th May. Thank you for your support and generosity.

Bellshill Academy Visit: P7s will visit Bellshill Academy on Wednesday 21st and Thursday 22nd May. Pupils should make their own arrangements to get there and get home. They have a parent meeting on Tuesday 20th May 6-7pm, details have been emailed.

P7 Yearbook: Pupils have been working very hard on the Yearbook. This will be given out at the Leavers' Assembly.

Leavers' Assembly: Our Leavers' Assembly will take place on Tuesday 24th June. We will also be celebrating some other school achievements at the start of this event, if your child is included, we will let you know. 😊

Leavers' Celebration: We will have a fun, celebratory event for our P7s on the afternoon of Friday 13th June. This has been organised and funded by our Parent Council. We are sure the children will have a fabulous time! 😊

We have children in our school with nut allergies. Please do not send your child to school with products containing nuts e.g. Nutella, Snickers, Kinder Bueno etc.

Thank you 😊

Health and Safety: Jewellery, Earrings and False Nails

In line with health and safety guidance, we must ask that children do not come to school with excessive jewellery on or false nails. Earrings should be removed on PE days and studded earrings that cannot be removed should be covered with plasters on PE days.

False nails are not permitted in school **at any time** as they pose a health and safety risk both in practical lessons and in the playground. Teachers are not permitted to remove earrings for children. I would appreciate your co-operation with this. Thank you.

After School Clubs

Day	Club	Organised by	Dates
Monday	P2 Multisport	Active Schools	12 th & 19 th May
Monday	P1 Multisport	Active Schools	2 nd & 9 th June
