Dear Parents and Carers,

Following our consultation at the end of last session, we would like to confirm that this year we will be trialling a move to three Parents' Evenings. This represents a change from our previous model of two Parents' Evenings and one written report.

Feedback from the consultation was closely balanced, with 45% of respondents preferring the current arrangement and 55% indicating that face-to-face discussions provide a better understanding of their child's progress than a written report alone.

We believe that this new approach will provide more opportunities for meaningful dialogue between parents and teachers, enabling more detailed discussions about your child's strengths, areas for development, and overall progress. It will also allow us to monitor progress more regularly and respond promptly to any emerging needs throughout the academic year.

A written progress summary will still be provided at the final Parents' Evening, ensuring that families receive key information about achievement and progress at the end of the year.

Parents' Evening Dates 2026-27

Parents' Evening 1: Wednesday 7 October 2026

Parents' Evening 2: Thursday 4 February 2027

This meeting will include a slightly longer appointment slot to allow for more detailed discussion of your child's progress.

Parents' Evening 3: Wednesday 19 May 2027

Teachers will provide a printed summary of progress and achievement to date during this meeting.

More information will be provided nearer the time about specific time slots and booking procedures.

We look forward to working in partnership with you throughout the year and welcome your feedback on this trial.

Yours sincerely,

Mrs S Gordon
Head Teacher
