Dear Parents and Carers,

As you will have seen in our recent newsletter, we are looking forward to welcoming families into school to join us for one of our assemblies during September. The dates are as follows:

Assembly 1: All Primary 6 and 7 pupils - Friday 4th September at 9.15am
Assembly 2: All Primary 4 and 5 pupils - Monday 14th September at 9.15am
Assembly 3: P1, P2/3 and P3 pupils - Friday 18th September at 9.15am

All assemblies start at 9.15am, but visitors will be welcome to take their seats at 9.00am.

I would like to clarify that these are not 'showcase' assemblies. Our theme is 'Welcome Back to School' and, while some children may take part in presenting elements of the assembly, there will not be a class performance on this occasion.

The purpose of these assemblies is simply to bring our school community together, welcome everyone back for a new school year and share some of our hopes and aspirations for the year ahead. We are delighted to open our doors and invite you to join us.

We appreciate that work and other commitments can sometimes make it difficult for parents and carers to attend. With this in mind, the invitation is also warmly extended to another family member who may wish to attend on your behalf.

For safety reasons we must request that only two guests per child attend, due to restrictions in space.

There will be a separate opportunity to become involved in your child's learning at our 'Welcome to Our Class' event on Thursday 10th September at 1.45pm where you will be able to spend some time in your child's class and find out more about their learning. This event will provide more of a class showcase of learning.

We very much hope you will be able to join us at one of these events and look forward to sharing some of the wonderful learning taking place across our school.

Most importantly, we look forward to working in partnership with you throughout the coming year and to making it a happy and successful one for all our children.

Yours sincerely

Mrs S Gordon
