Dear Parents and Carers,

We have noticed a recent increase in children bringing toys from home into school. We kindly ask that all toys are kept at home, as they can easily become a distraction from learning. We have also had some instances of toys being lost or accidentally broken, which can understandably cause upset for our children.

This includes 'squishies', which should not be brought into school due to health and safety considerations. We have had instances of these bursting in school, and we cannot guarantee the safety of the contents or ensure they can be handled safely. Please support us by ensuring that toys are left at home and by checking that they are not being kept in school bags.

We would also like to remind families that smart watches should not be worn during the school day, either in classrooms or in the playground, due to their recording capabilities. Smart watches can be handed into the school office in the morning, along with mobile phones, and collected at the end of the day.

Thank you, as always, for your support and cooperation.

Kind regards

Mrs S Gordon
Head Teacher
