

Primary 7 Work Pack

Choose 4 activities to complete for each day you are off school. Colour in the square when you have completed each activity.

Write a diary entry about why you are off school today. Remember to include as much detail as you can, and how you feel about it.	Write a persuasive piece of writing explaining which is the best season: Winter, Spring, Summer or Autumn, and why.	Write an informative report about the importance of eating healthily.	Research sport in the 1960s and write an informative report, in your own words, about what you have learned.
Write a set of sequenced instructions of how to change your bed sheets.	Write a news report for something you have seen on the news or read in the newspaper. Your report should be 2 paragraphs long.	Write out your times tables 2-12 and ask an adult to test you afterwards.	Create 8 of your own long multiplication sums and carry them out.
Design your own maths game. Create the rules and the materials and then teach an adult how to play.	Research the music of 1960s band, The Beatles. Write a fact file about each band member and include a picture.	Play maths games on the internet for 30 minutes. This can be using Sum Dog or Cool Maths Games.	Help an adult in the house to prepare the dinner. Make a note of all the new skills you learn in food preparation.
Choose one of the following titles and write your own story. - The Big Bang - Eric the brave mouse - Help! I think I'm an alien!	Write an acrostic poem entitled 'OLD MONKLAND'.	Go on a 3D shape hunt in your house. Create a table and tally mark the number of cubes, cuboids, spheres, cylinders and prisms.	Choose a book and read a chapter to an adult in your house. Remember to focus on accuracy and expression in your reading.
Write ten sentences using an adjective in each sentence. Your sentences should include a connective to make it longer. Remember to underline the adjective in each word.	Use your times tables to create fractions of whole numbers. For example, $\frac{1}{5}$ of $30 = 6$	Record the times your 7 favourite TV programmes from start and finish. Calculate the duration of each programme and order them from longest to shortest in length.	Play a game of Times Table Buzz with an adult. Practise using the 7, 8, 9 and 11 times tables.
