

The background is a colorful illustration of a spring scene. On the left, there are several trees with green foliage and brown trunks. A wooden fence runs across the middle ground. In the bottom left corner, a blue stream flows. On the right side, a colorful kite with purple, yellow, and pink panels is flying in the sky. In the bottom right corner, a white lamb with pink ears stands on a grassy bank. The central part of the page is a white rectangular area containing the word 'SPRING' written vertically in large, bold, black letters, with horizontal lines for writing practice next to each letter.
