

# SCHOOL IMPROVEMENT PLAN 2023/24

## Priority 1

## Priority 2

## Priority 3

Equip me with the language of learning so I can talk about my learning journey, including my strengths and next steps.

Improve my writing skills by continuing to use 'Talk for Writing' in every classroom and giving me daily opportunities to write.

Develop my digital technology skills and give me opportunities to use these in my learning in every area of the curriculum.
