

Intro text	<p>The parent council for Cathedral Primary School is there to represent the views of the parents of the school and work with the teachers and leadership team to make the best possible experience for our children in the school. We meet once per term, to discuss a range of topics and get important updates from the head teacher and others. We are linked into the work of other parent councils through North Lanarkshire Council.</p> <p>The main topics we are focused on at the moment include challenging the councils decision to reduce the eligibility for free school transport, supporting the school improvement plan and linking to the important work the fundraising committee undertake to enrich our school community.</p> <p>If you have a topic or issue you would like to discuss you can email us at cathedralpcsec@gmail.com or speak to one of the parent council members. We always welcome new members, and if you would like to get involved let us know!</p>
