Family Learning

January – June 2025

Dear Parents and Carers,

Each and every one of you plays a vital role in helping your child maximise their potential and flourish in school. To support you in this, Cathedral Primary has planned a range of opportunities between now and the summer holidays for you to get involved in your child's learning and the life and work of the school.

Please remember that the school **website news-feed** is updated several times each week. This provides the latest news and information on everything that's going on in Cathedral Primary and is **available in numerous different languages** via the 'translate' function. Simply type 'Cathedral Primary blog' into Google and save the site to your home-screen for regular updates.
