

# Our Lady of Good Aid Cathedral Primary School

March 2025

Dear Local Resident,

2025 is highly significant in the long and proud history of Cathedral Primary School as we are celebrating the 150<sup>th</sup> anniversary of the school and parish. How incredible to think that pupils, staff, parents and parishioners are part of a community of faith and learning stretching back fifteen decades!

Our three Primary 7 classes are busy researching various parts of Cathedral's history for a special exhibition which will take place in May. These include the Victorian era, World War II and the swinging sixties. As well as featuring a fascinating series of displays of written information, photographs and school log-book entries for visitors to enjoy, the exhibition will also include actual artefacts linked to different points in Cathedral's 150-year-old story (a gas mask, carbolic soup, a potty and My Little Pony, to name just a few!).

**As a valued local resident, Cathedral school community would like to invite you to an advanced viewing of this special exhibition. This will take place in the school gym hall from 1.30 – 2.30pm on Wednesday 14<sup>th</sup> May 2025 and we would be absolutely delighted if you could find time to pop along.**

In the meantime, please keep an eye out for our team of Cathedral Easter bunnies, who will be delivering an Easter treat to your door in the coming weeks!

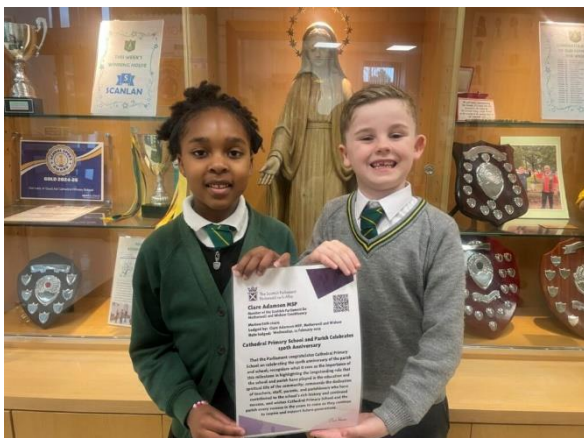

We look forward to seeing you on Wednesday 14<sup>th</sup> May!
