

# CATHEDRAL PUPIL PARLIAMENT

One School, **Every Voice**

- Our twelve elected House Captains form the **Cabinet** and lead and co-ordinate improvement projects on behalf of their **constituents** (the members of their House).

- Each House Captain serves as a **Cabinet Secretary** and leads one of our six **Directorates**:

LEARNING	FAITH	HEALTH	EQUALITY	SUSTAINABILITY	FINANCE
Ensuring every Cathedral pupil benefits from the highest-quality learning spaces, experiences and interactions.	Promoting Cathedral's Catholic ethos and supporting every learner to live-out their personal faith and values.	Looking after the physical, social, emotional and mental health of every Cathedral learner.	Promoting the UNCRC articles and ensuring that the rights of every Cathedral learner are upheld.	Supporting Cathedral learners to look after their school, the wider environment and our planet.	Ensuring Cathedral learners are involved in, and kept informed of, how the school budget and school funds are used.

- Class Councils**, involving every Cathedral learner, meet every two weeks to discuss a particular topic. Everyone's views and ideas are recorded electronically and sent to House Captains for discussion.
- Short-term committees**, in partnership with other pupil leadership groups such as Ignite, take forward improvement projects.
- The whole school community is kept up to date with progress at assembly and via the **Cathedral Pupil Parliament Action Board**.
