

## Roomstyler Challenge

Your challenge is to design a fitness centre to the following specification:

- The fitness centre must have:
  - a reception with a desk and an office.
  - male and female changing facilities.
  - 3 toilets & 3 showers per changing facility.
  - a gym with exercising equipment.
  - an accessible toilet near the reception.
  - The rooms need to have natural light.
  - swimming pool.
  - A multipurpose exercise room for classes (like dance, yoga, etc).
- The fitness centre must be modern looking.
- There must be comfortable seating in the reception area.
