

## Roomstyler Nursery Challenge

Your challenge is to design a children's nursery to the following specification:

- The nursery must be 10m x 8m as a minimum.
- There must be a soft play area inside for the children.
- There need to be storage drawers for the children's work.
- The staff would like a comfortable story corner.
- Tables and chairs for eating at and also for crafts etc.
- A water and sand table.
- Bright and colourful surroundings.
- Outside area with toys and an area of grass.
- Toilets for the children and one for the adults.
- A kitchen area for the food preparation.
- The rooms need to have natural light.
- There should be patio doors out into the garden.
