Second Level: Ideas of Uncertainty and Chance

Use 1 die!

What is the chance of rolling an even number?

What is the chance of rolling a 1?

What is the chance of rolling a number lower than 3?

Now use 2 dice!

What is the chance of rolling a total of more than 10?

What is the chance of rolling two numbers that are the same?

What is the chance of rolling a total that is an odd number?
