Choose your favourite thing to do during the summer time. Draw a picture of it. Write a sentence or a few sentences about what you have drawn.

Can you think of any story books that are about the summer time or summer holidays? Write down the different books you can find and ask an adult to read one to you.

Create a storyboard about summer time. Show what you are doing, where you are, who you are with and how you feel. It could be a summer holiday you have been on, a summer activity you like doing.

Design your own ice cream or ice lolly! Draw it and label it. What would you name it? What would it look like? What would it be made of? How would it taste?

Choose some of your common words, from this week or that you think you need to practice, and write a few summer sentences using them!

Talk to someone in your family about your favourite memories of summer. Ask your family their favourite memories of summer time and what summer was like when they were your age.

Write a list or draw pictures of things that you would take if you were going on a summer holiday. What would you pack in your suitcase? What clothes would you need? Are there any other things you would need to take?

Make your very own summer picture using different materials. Try to use some outdoor items to show summer like sand or flowers. While you are making it take someone through what you are doing.

Talk about ways that people can stay safe in the summer time. Think about staying safe in the sun, near or in water, when you are out and about. What things can you do?

Create a spider diagram of all of the things you love about summer time. You can write the things or draw pictures of them!

Write a summer weather report. Include some pictures of what the weather is like, how hot is it? Is there clouds or clear sky? Is it windy? How long will the nice weather last?

Write an acrostic poem about Summer!
