

Wear Yellow Week

Film a Persuasive Video

Create a short video clip to introduce ‘Wear Yellow Week’ to the Ladywell school community.

You could film yourself or ask someone in your house to help you. Use the script on the next page to help you include all of the important information. Feel free to be creative. Remember to speak slowly, loudly and clearly.

Upload on Teams or email to Miss Conway by the end of the day on Monday. I will edit and share with the school tomorrow.

Wear Yellow Week Script

Hello, my name is _____ and I am a Ladywell Primary School, St. Andrew's Hospice Ambassador.

If times were normal, my class would be participating in the St. Andrew's Hospice Wear Yellow Walk this Wednesday, in Strathclyde Park.

Even though we can't walk this week, we are going to try our best to raise money for the hospice who need to raise £88, 000 per week to operate.

That is why we are challenging you, Ladywell Primary, to take part in Wear Yellow Week. This week, you can wear something yellow and if you can, text SAH followed by your donation amount to 70085.

Don't forget to tweet your photos of all things yellow and tag @LadywellPrimary.

Let's do this Team Ladywell!
