

# Wear Yellow Week

## Design a persuasive poster

Design an eye catching and informative poster which persuades the people in our school community to take part in Wear Yellow Week to raise money for St. Andrew's Hospice. You could create your poster on Microsoft PowerPoint or Publisher or on a piece of paper. Please make sure the information is clear and check your spelling. Key information is on the next page.

Please upload your poster to Teams or email to Miss Conway by the end of the day on Monday.

I will share your posters with the school throughout the week.
