

School Priority 1

By June 2027 all learners will benefit from a refreshed curriculum that will develop curiosity, critical thinking and real-world connections leading to an increase in engagement and attainment in reading and writing.

Plains Primary School School Improvement Plan 2026-2027

School Priority 2

By June 2027 all learners will benefit from high quality pedagogy in maths using concrete and digital materials to increase engagement and attainment across all stages.

Equity Plan

All learners will benefit from additional staffing which will allow:
Our Health and Wellbeing Champion will help make sure children get the support they need to feel happy, safe, and ready to learn.

Equity Plan

Children who need extra support or challenge will work with teachers to make sure they achieve their best in literacy and numeracy.
