

School Priority 1

By June 2027, we will have lots of exciting opportunities to explore, ask questions, and learn about the world around us. This will help us enjoy learning and become more confident readers and writers.

2026-2027

Child friendly version

School Priority 2

By June 2027, everyone will use practical materials and digital tools to make maths fun, exciting, and easier to understand. This will help us do our best and improve our maths skills.

Equity Plan

We will all benefit from additional staffing which will allow:

Our Health and Wellbeing Champion help make sure we get the support we need to feel happy, safe, and ready to learn.

Equity Plan

If we need extra support or challenge we will work with teachers to make sure we achieve our best in literacy and numeracy.
