

# Outdoor Zone

- Large loose parts e.g. tree blocks, tarpaulin, half pipes, tubing
- Garden equipment-digging equipment
- STEM and exploration materials e.g. magnifying glasses, binoculars, weather instruments, etc.
- Use local community area
- Visitors from community or topic-related
- Chalk
- Natural materials for art (leaves, stones, sticks)

# Social Zone

- Library- including digital resources- links to QR codes, reference books, fact cards
- Collaborative spaces e.g. tables at different heights, break out spaces, flexible seating for group discussions and peer learning
- Digital tools e.g. Padlet to share ideas, laptops, iPads e.g. Book Creator
- Writing/Publishing Station- journals, planners, creative writing templates and prompts, writing tablets, pens, notepads, etc.

## Creative Zone

- Art & Craft- junk modelling, paint, drawing, cutting, sketchbooks, etc.
- Woodwork
- Music
- Drama
- Sewing and textiles
- Fabrics
- Malleable materials e.g. salt dough, clay, play dough
- Loose parts- tubes, cartons, cardboard, etc.
- Media and digital resources e.g. Green screen, tablets or laptops (Canva, Book Creator), Microphone and headphones for podcasting , music apps
- Design challenge cards

## Discovery Zone

- Loose parts- natural specimens (rocks, shells, leaves)
- Junk materials- e.g. cardboard, MakeDo kits
- Construction e.g. Kapla, Lego, K'nex, challenge cards for design thinking and problem solving, measuring tools
- STEM resources e.g. magnifying glasses, microscopes, simple experiment kits (electric circuits, magnets, water filters)
- Digital technology e.g. programmable devices, laptops, iPads, digital creation tools, coding kits (micro:bit)
- Curiosity Box e.g. artefacts, natural items, etc.
- Reference books and resources e.g. Maps
- Topic-specific resources
