

THE THINKING RIVER

REMEMBER

Recall, recognise, identify, and retrieve.

Questions to help your thinking

- ? What do I already know about this?
- ? What facts can I recall?
- ? What examples can I think of?
- ? Where have I seen this before?
- ? What key words or ideas do I already recognise?

I am remembering when I:

Recall Facts and
Information

Identify Key
Words

Recognise
Examples

Retrieve
Information

Activate Prior
Knowledge

Notice What I
Already Know

REMEMBER

What do I
know?

UNDERSTAND

What does
it mean?

APPLY

How can I
use it?

ANALYSE

How can I
use it?

EVALUATE

How can I
use it?

CREATE

What can I
make?

DEEPEN OUR
THINKING

THE THINKING RIVER

UNDERSTAND

REMEMBER

What do I know?

UNDERSTAND

What does it mean?

APPLY

How can I use it?

ANALYSE

How can I use it?

EVALUATE

How can I use it?

CREATE

What can I make?

**DEEPEN OUR
THINKING**

Explain, describe, interpret and connect.

Questions to help your thinking

- ? How would I explain what this means?
- ? What is this showing me?
- ? How would I describe this?
- ? How could I put this into my own words?
- ? What connections can I see?

I am remembering when I:

Explain Ideas in
My Own Words

Make Meaning
of Information

Make
Connections

Describe in
Different Ways

See the Bigger
Picture

Show my
Understanding

THE THINKING RIVER

REMEMBER

What do I know?

UNDERSTAND

What does it mean?

APPLY

How can I use it?

ANALYSE

How can I use it?

EVALUATE

How can I use it?

CREATE

What can I make?

**DEEPEN OUR
THINKING**

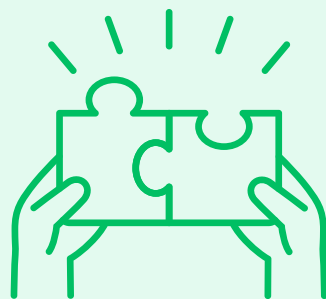

APPLY

Use, demonstrate, implement and test.

Questions to help your thinking

- ? How can I use what I know?
- ? How can I apply this idea?
- ? What strategy could I try?
- ? How might I test this idea?
- ? How can I show my understanding though an example?

I am remembering when I:

Use Knowledge in
New Situations

Choose and Use
Strategies

Carry Out
Investigations

Follow a Plan or
Method

Solve Problems

Put Ideas into
Action

THE THINKING RIVER

ANALYSE

Compare, examine, investigate and differentiate.

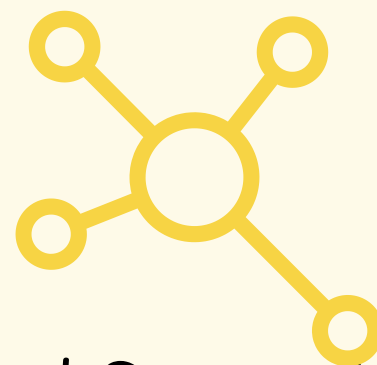

Questions to help your thinking

- ? Why might this be happening?
- ? What patterns do I notice?
- ? What evidence supports my idea?
- ? What might be causing this change/problem?
- ? How are these ideas connected?

I am remembering when I:

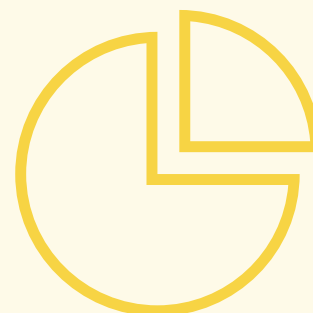

Look for Patterns

Find Connections

Examine Evidence

Identify Parts and Relationships

Find Causes or Reasons

Compare and Contrast

REMEMBER

What do I know?

UNDERSTAND

What does it mean?

APPLY

How can I use it?

ANALYSE

How can I use it?

EVALUATE

How can I use it?

CREATE

What can I make?

DEEPEN OUR THINKING

THE THINKING RIVER

EVALUATE

REMEMBER

What do I know?

UNDERSTAND

What does it mean?

APPLY

How can I use it?

ANALYSE

How can I use it?

EVALUATE

How can I use it?

CREATE

What can I make?

**DEEPEN OUR
THINKING**

Judge, justify, critique and defend.

Questions to help your thinking

- ? Which idea is the strongest and why?
- ? What evidence supports my thinking?
- ? How do I know this is reliable?
- ? What criteria am I using to decide?
- ? How would I justify my choice?
- ? What are the strengths and limitations of this?

I am remembering when I:

Judge Reliability

Use Criteria to Make Decisions

Weigh up Options

Justify my Choice

Consider Different Viewpoints

Reflect on Strengths and Limits

THE THINKING RIVER

REMEMBER

What do I know?

UNDERSTAND

What does it mean?

APPLY

How can I use it?

ANALYSE

How can I use it?

EVALUATE

How can I use it?

CREATE

What can I make?

DEEPEN OUR
THINKING

CREATE

Design, develop, innovate and invent.

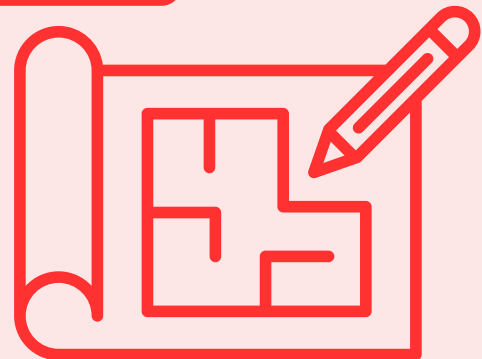

Questions to help your thinking

- ? What could I design to show my thinking?
- ? How could I solve this problem in a new way?
- ? How could I take this idea into a different context?
- ? How could I develop this idea further?

I am remembering when I:

Develop New
Ideas

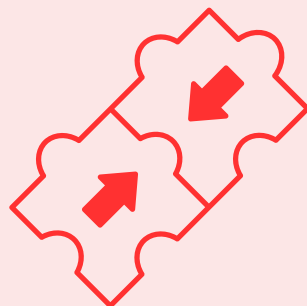

Design Solutions

Imagine and
Innovate

Improve and
Develop

Combine Ideas
in New Ways

Share in Original
and Meaningful
Ways
