

Mrs H! :)

Tuesday 20th February '24

Literacy
We have been doing
Taught Writing.
Recently we have
focused on Information
Reports.

The sticky notes are used to
identify quality parts of reports
already written.
Magpie jitters are used to take
notes for our work.
We call it Magpie jitters because
you can 'steal'
information.

We have used real
life situations to
write our reports.
A monkey escaped
from the
wildlife park
we used that
for inspiration.

Information Writing 2.1	
Core Targets	Genre Targets
Write a topic title	Write an opening paragraph
Take notes	Take notes
Write a paragraph	Write a paragraph
Write a final paragraph	Write a final paragraph
Include a photo/diagram	Include a photo/diagram
Self-assessed	Peer-assessed
Teacher-assessed	Teacher-assessed

Our DL
is natural
disasters.
We used
this to
write reports too
Mrs Smith uses
the full week to
support our
writing so we
have ideas.
Mrs Smith uses
times to keep us on track.

The time we get makes
us be more thoughtful
about our work.

Physical Education + Expressive Arts.

We have PE twice week. We were focusing one session on Dance and the other on tennis.

Each morning

during play we were given time to rehearse for the Burns celebration. The whole class got a chance, not just the show performers.

Our school community as enjoyed seeing dance as we don't show it much.

In hip hop you use the floor and full body to make moves.

Mrs Smith would be an encourager to groups. Other children would give us ideas.

One type of dance we were learning about was ceilidh.

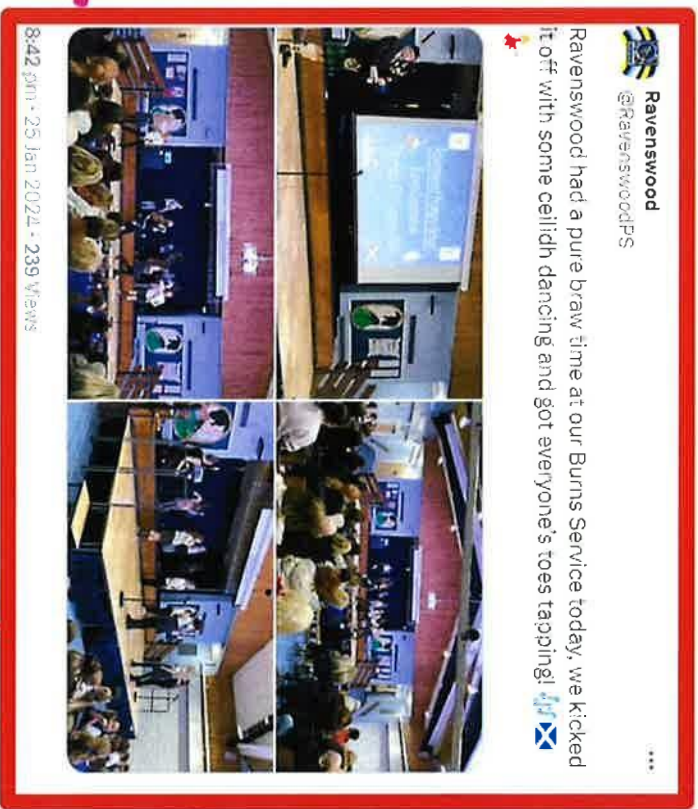

Mrs Smith liked as it was close to Burns day. Mrs Smith mixed the music with current times. You can dance to anything.

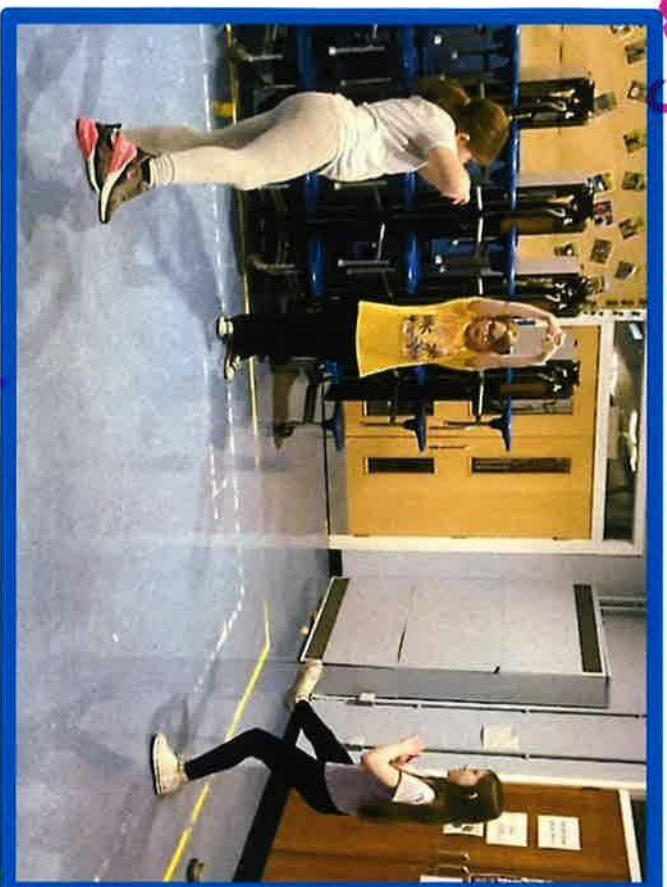

We use the posters in groups to make up our own dance.

After Scottish dancing we moved on to a modern dance called hip hop. Hip hop is more jumpy and Scottish dance is more stumpy.

F U N ☺

N - I C E ☺

G O O D ☺

Mrs Smith would This would let photograph some Mrs Smith teach and demonstrate.

We used music to dance to. There were long and tiring.
