We practise lots of the time throughout the week so we get better.

We are in groups for reading. I am each week.

Our teacher lets us take our book home to practise.

Sometimes I read to my mum or dad. I read at home to my sister.

We do some writing about jobs task. This helps us to get good at writing.

Mr 'oy and Mrs 'oi' I said my oi/oy task on a whiteboard. We use them lots.

The teacher cannot be interrupted when teaching on the carpet.

BETTER + BETTER EXCITING

I love

reading

I like

new

books.

When we get a new book we get taught about them on the carpet.

I love a writing day with Mrs Simpson.

IMPORTANT

T I R I N G

I love reading. I like to learn words.

# Maths : Money.

We have been learning about money and maths.

We do our learning

I know for times a week about maths a

Miss Flannighan teaches us maths.

Our smart board

is used to show

our work. We use the black pen to write.

1p coin, 2p coin,

5p coin, 10p coin,

20p coin, 50p

coin, £1 coin and

£2 coin.

We tested if they were made properly.

I know notes too... £5, £10, £20, £50, £100. It's important to learn about money and saving so we can have good food and a home.

In our class we have a money shop. When we learn we play. We had totals saying how much things cost.

We were challenged to match the correct coins and make the right total.

If you have too much money for an item, the till person gives change.

I don't have my own bank.

We use a smartpal to count up the coins. In the real world you use money. Shops like Tesco + Asda.

I have a wicon bank and my own money box.

I get birthday, Christmas and

Halloween money.

My bank smashed.

I have a brierstaps bank I'm saving

for a classed disbaour.
