Dear Parent/Carer

We are very much looking forward to your child joining us in June for a two-day visit as part of our primary 7 transition programme. The visits are a highlight of our school calendar and as a community we are already preparing to meet our new S1 pupils. The visits will take place on **Wednesday 11th and Thursday 12th June 2025** and pupils will follow their timetable over the 2 days and meet some of their teachers. These visits are very important in helping young people to adjust from primary to secondary school.

Please be assured that we work closely with our primary colleagues to make the move as smooth and as reassuring for both parents and P7 pupils as we possibly can. We work closely with P7 teachers to gather lots of information about our new S1 pupils. The transition section of the school website and the P7 Transition TEAMS page contain information about the school and S1. The FAQs section should also help with some of the questions that you might have. Miss Campbell, Depute Head Teacher for S1, has been meeting with a small number of parents to discuss individual concerns or answer specific questions that have not been covered in the transition section of the website or on the P7 Transition TEAMS page. Any parent who wishes any further information should email enquiries-at-ourladys@northlan.org.uk with their request and Miss Campbell will be in touch. Please follow us on twitter @OLHSCumbernauld where you will get a flavour of our school.

I know that your attention may soon turn to school uniform for August. Uniform in Our Lady's has always been of a very high standard and identifies young people as part of our community. The uniform consists of formal black trousers/skirt, white shirt, tie, plain black jumper/cardigan and blazer. As there are changing rooms in the PE Department pupils at Our Lady's do not wear their PE kit to school on PE days, they wear their normal school uniform and change at the appropriate time in the department. We work with a uniform company, LogoXpress who will be visiting each primary school to measure pupils for their Our Lady's blazer over the coming months. We also have a stock of good quality pre-loved blazers and if you are interested in getting one of these blazers, please contact our school office with your child's name and during the two-day visit we will see if there is one that fits them.

I look forward to welcoming our new young people in June and working with you as parents/carers. We will take very good care of your child, and I am confident they will have an excellent experience here in Our Lady's.

Warmest regards

Mrs. N Cunningham
