Knitters needed!

We are looking for some volunteers to knit a cuddly companion in the form of a Raven for our Ravenswood newbies. If you think you can help us, or know someone who can, please contact Miss Robertson for more details, or please see the knitting pattern below. We would love to have a flock of Ravens by the 2nd of June.

Email: NRobertsonA@northlan.org.uk

Telephone: 01236 632100

Thank you!

Staffing and Classes Session 2025-26

We will be welcoming a new permanent staff member, Mr Hornsby starting in August 2025. We are looking forward to him joining our team and know the entire Ravenswood family will make him feel truly welcome.

Miss Reid and Miss Flannighan are well kent faces who are now permanent members of the school team. Congratulations on securing the posts, we are delighted for you both.

Next year, whilst temporary placed at St Mary's Primary School whilst the roof work is completed, our school will operate an 8-class structure. Class Teachers have been confirmed leading the learning in each classroom.

Primary 1	-	Miss Flannighan
Primary 1/2	-	Mrs Simpson (Monday – Wednesday) and Mrs MacCuaig (Wednesday – Friday)
Primary 2	-	Mrs Merrison
Primary 3	-	Miss Nadeem
Primary 4	-	Mrs Weir (Monday – Thursday)
Primary 5	-	Mrs Fairfield and Mr Hornsby (both teachers working Monday – Friday)
Primary 6	-	Miss Reid
Primary 7	-	Miss Goodbrand

Mrs McAllister and Miss Bowman remain as permanent staff members who will be working with children throughout the school. We anticipate a further two posts to be confirmed before the end of term supporting in Primary 3 and Primary 4 also. These will be communicated at the earliest convenience.

Miss Robertson will be leading Primary 1 Induction morning on Wednesday 11th June. On this day all new Primary 1 children will be allocated to their class for session 2025-25.

Primary 2 are the only year group who will have an email detailing their child's class for session 2025-26. These will be shared on Tuesday 10th June.

Transition Activities

The school has been preparing for next session for many months. The children have guided us with specific questions they are keen to be answered, and we are working with the authority to do so. We are all keen to visit St Mary's Primary prior to the end of term. We have proposed Monday 9th June for children to visit St Mary's for a school tour with their teacher. This will be a great opportunity to settle nerves. In time, videos and social stories will be shared on the website too.

We have planned three transition sessions for children to work with their new teacher/teachers as the prepare for the new school year. Providing staffing allows us to do so, we have pencilled in –

Tuesday 10 th June	-	1.30pm
Thursday 12 th June	-	1.30pm
Monday 16 th June	-	1.30pm

The service will communicate directly with parents/carers with any new information about the temporary relocation for session 2025-26.

PCA Summer Disco

The PCA are preparing for the final disco of this school year. The sweets have been purchased; the music is ready and now we need children to party with. As always, we have two running times, Primary 1-3 6.30pm – 7.30pm and Primary 4-7 at 7.45pm – 8.45pm.

Our Primary 7 children should arrive at the MUGA fire door at 7.15pm. Parents and carers are welcome for the first 10 minutes to come into the senior area for photographs and then the children can enjoy a feast before their final dance.

Thursday 12 th June	-	P1 – P3 Disco 6.30pm – 7.30pm
		P4 – P7 Disco 7.45pm – 8.45pm

School Bus

Miss Robertson has spoken to several children today after various communication from parents/carers about pupil conduct on the bus. We kindly ask that all parents/carers remind the children on the bus that their contract for accessing school transport includes being respectful and considerate towards others. It is possible for bus access to be revoked if certain children are not being considerate of others. I hope this does not happen. We ask that all parents/carers take time to discuss this with their children at home to ensure we have everyone happy on the school bus. Thanks for your help.

Celebration of Achievement

The Celebration of Achievement is a great afternoon where the school gather to share accolades and hear all about the many proud moments. Teachers have the difficult job of choosing winners of the Ravenswood DREAM awards. Families of children who are receiving awards will be notified in advance, hopefully you will be able to book time off work to enjoy the celebration.

Friday 13 th June	-	1.30pm Celebration of Achievement
------------------------------	---	-----------------------------------

Summer Service

The Primary 6 and Primary 7 children will lead the final service of the school year. This is an emotional but joyful time to celebrate the P7's before they move to high school. We hope you can come along to celebrate with the school.

Friday 20th June

1.30pm Summer service – all welcome!

Access to the School and Playground

Recently there was an unfortunate incident in our school playground at the end of the school day. We ask that people who are collecting children at the end of the day remain at the school gates. Staff will lead children out at the end of the day. P1-P3 will show their teachers who is collecting them. P4-P7 leave mostly independently however staff will be in the playground. Please do not enter the playground. Please pass on this message to anyone who collects your child on your behalf. Many families have requested their child leaves from a specific gate. Please let us know if this is best for your family by emailing enquiries-at-ravenswood@northlan.org.uk

Please ensure all adults and late children to school report to the front office. This is a safety policy in all North Lanarkshire Schools. We appreciate your cooperation.

P6 and P7 Science Fayre

Our senior pupils were outstanding leading the first Science Fayre at Ravenswood Primary. Everyone had brilliant ideas and worked their socks off to create a brilliant presentation. A big thank you to the class teachers involved and to John Cochrane from Strathclyde University who led the judging panel.

Congratulations to ...

P7 1st Winners – Ruby Barton and Katie Gallagher

P7 2nd Winners – Chloe Pappas

P7 3rd winners – Lacey McCarthy, Jessica Earlie, Kiara McEwan and Ellie Braid

P6 1st Winners – Ella-Rose Agyako

P6 2nd Winners – Amelia Logan and Amelia Halcrow

P6 3rd Winners – Eva Stirling

Phones and Smart Watches

If your child is bringing a phone/smart watch to school, please remind them that this should be off when in school/on school grounds. All teachers have a safe space to keep phones throughout the day. Some children have taken photographs within the school

and this has caused much distress to others. Community Police Officer Scott Douglas shared the concerns he has for pupils with devices and not following school guidance. Please contact the office for information to be shared with your child during the school day. Thank you for your help.

Uniform Preparations

This is a gentle reminder that all children should be appropriately dressed for PE, we aim to go outside as much as possible and use our MUGA. Crop tops are not appropriate in school. We will request a change to be delivered to the school from home for those presenting wearing these.

We are preparing for the school to be decanted to St Mary's for session 2025-26. As part of this, we ask that children have a spare change of uniform in their bags. We will not have the space at St Mary's for a uniform store, we are getting into this habit now. Some children have not been wearing their uniform on non-PE days. This is against our school poverty proofing policy. We encourage uniform and ask that you contact the school to discuss any potential concerns you may have about this. Where possible, we will offer uniform to those without it.

Summer Fayre

The Parent Council are working hard to organise an AMAZING Summer Fayre. Please come along and enjoy the fun on Saturday 31st May 10am – 12 noon at Ravenswood Primary School. Summer show tickets will go on sale at the fayre. Tickets are priced at £3.50 each and are sold on a first come first serve basis. We hope you can make it along for a morning of joy in the sun! (fingers crossed!) 😊

School Car Park and Playground

As you will know, our school car park is not the biggest! We have a big bus and after school care mini bus that must access it twice daily. Please park and stride using designated parking spaces and leaving pavements clear for our children to walk safely to school. The car park can be accessed between 8.15am and 8.30am to drop off any children attending breakfast club. If you are dropping children off after 8.30am, please do not use the school car park. Please do not use the car park at the end of the school

day for collections as it is impossible for the school bus to turn. Our school car park has one disabled access space. **This must be used by a child in our school.** Any parents/carers who require to use the disabled bay can arrange to do so by contacting Mrs Hawthorn 01236 632100.

Thank you to everyone who is parking safely in the community. We have regular calls from residents who cannot access their cars because of parents/carers cars blocking their spaces. We understand parking locally is a nightmare and appreciate everyone in working together with the local community. 😊

P1 – P3 children are escorted to the gates by the teaching staff to ensure they are met with a safe adult. P4 – P7 leave independently. **Please wait at the gates for children to leave the playground.** Please share this message if any family members or friends are supporting with collection at the end of the day.

Thank you for cooperation keeping our children safe.

Absences and Late Comings

The office role is very busy, please help us out by emailing or calling the school to inform us if your child is off. The school phone has an answering machine that is checked throughout the day. Please inform the school, ideally prior to 9am. This saves Mrs Reid or Miss Rose having to contact individual families.

01236 632100

We are lucky that our school is well supported by a Family Engagement Support Assistant (FESA). The FESA supports families identified by the school whose attendance is concerning. Our aim is for children to attend at least 95% of the school year. We understand that this is not always possible. Communication is vital so we know why children are off school. We are keen to support in any way we can.

We have noticed that many children are attending late to school and missing vital teaching time. The school is happy to help families who are struggling with time keeping. I have attached the council Attendance Matters information guide for your reference.

Weekly Snapshots

X (Twitter) is just not listening to our plea to unlock our school account. 😞 We have started sharing weekly snapshots of learning to our school website class pages. These are updated every Friday for you to enjoy.

Community Learning and Development Officer

Our Community Learning and Development Officer, Val is amazing! She supports many families in our community and would love to add more! Please see attached information regarding the workshops she has on offer.

Financial Inclusion Team

The Financial Inclusion Team help North Lanarkshire residents with money advice and welfare benefits. The team includes a combination of debt advisers and welfare rights staff. If you are worried about debt or experiencing financial difficulties, the debt advisers can provide free, impartial and confidential advice. If you would like Mrs. Hawthorn to make a referral please do not hesitate to contact the school.

Cumbernauld and Kilsyth Care

Cumbernauld and Kilsyth Care are a registered charity, working since March 2016, with the aim of helping families in our community. They provide two services in our local area – a school uniform bank and a Baby bank, both of which support children of all ages. If this is a service that could help your family please contact the school. Mrs Hawthorn would be delighted to make a referral on your behalf.

Round 7-9 knit.

Round 10 (S2kpo) twice. [2 sts]

Thread yarn through rem sts. Pull tight to fasten.

MAKING UP

Body: Note If using safety eyes, cut 10mm felt circles, insert stem of eye through felt, position on head and lock in place before stuffing.

Use mattress stitch to join the back seam from head to tip of tail, stuffing as you go.

The tip of the tail contains only a small amount of stuffing which is filled through the opening created by the folded cast-on edges. When you are happy with the overall shape, close opening using whip stitch.

Wings: Make 1 right and 1 left. Each Wing uses three Feathers, one of each size. The Large Feather overlaps the Medium Feather, the Medium Feather overlaps the Small Feather. Use yarn ends to stitch Feathers together placing each as described.

Note Make second wing a mirror image of the first.

Stitch wings to body around the rectangular base.

Tail: Stitch remaining 8 Feathers around the tail.

Legs/Feet: Darn Toe ends to inside of Feet.

Use cast-on end to carefully stitch Leg to Foot, just behind middle Toe.

Rep for second Leg.

Push Legs inside small eyelet holes situated on Blackbird tummy. Use Yarn B to sew Legs in place ensuring Toes are facing to front.

Eyes: Cut 2 felt circles of approximately 10mm diameter. Position felt as shown in photographs and secure by sewing a bead to the centre of each using strong black sewing thread.

Beak: Place a small amount of stuffing inside Beak. Use Yarn B to stitch in place.

PARENT WORKSHOPS

CLD Schools

*The following workshops will
run in the Garrell Vale Cen-*

Wednesday 5th March 12.30pm to 2.30pm

Child Development Part 1 - Brain and Behaviour

This workshop gives an overview of child development, looking at how their brains develop and how this influences their behaviour. By the end of the workshop you will have more understanding of your child and why they act the way they do. This workshop is suitable for all parents/carers

Wednesday 12th March 12.30pm to 2.30pm

Child Development Part 2 - Anxiety and Meltdowns

In this workshop we will use the information that we learned in the child development part 1 workshop to put together strategies to support our children with their behaviour, anxiety and/or distress. You need to attend part 1 before attending this workshop.

Wednesday 19th March 12.30pm to 2.30pm

Supporting positive behaviour

In this workshop we will look at simple strategies to encourage our children to develop good social, emotional and behaviour skills.

Wednesday 26th March 12.30pm to 2.30pm

Problem Solving

In this workshop we will learn how to help our children develop their skills to deal better with challenging situations and help keep homes calmer with less meltdowns and shouting.

Make every day count: what can you do to help?

- Think about the impact of regular absences - missing school is missing learning and play.
- Try to arrange non-urgent dental and medical appointments outside school hours and if an appointment must be made within school hours, try to ensure your child is back at school as soon as possible.
- Establish routines at the start and end of the day so your child is prepared for the school day ahead; building up habits of punctuality and attendance. Your child's school may have a breakfast club which will support you.
- Talk to your child's school - ask questions and have regular discussions which support you and your child.
- Discuss any problems or difficulties with the school: staff are there to help and will be supportive. You have support from school staff, the Head Teacher and Cluster Integration and Improvement Lead (CIIL) for the cluster.
- Let the school know if your child is absent due to illness or other reason. This can be a call or text.

DID YOU KNOW

What should I do if my child is anxious or worried about going to school?

Your child has a right to an education and to be safe and happy at school. But sometimes children and young people can be anxious or worried about going to school due to many possible reasons.

You may think letting your child stay off school when they feel this way is the best option, however experience tells us it is better to talk to the school about this as soon as you can. Longer absences makes it harder for your child to return.

Your child's school staff are there to help. Your first point of contact should be the school. Staff in your child's school and the CIIL are keen to help and support you.

If you are unsure who to talk to in the school, ask to speak to the Head Teacher.

However there are also a number of agencies and services that can provide you with professional help and advice.

(Contact details can be found on the following page).

ATTENDANCE MATTERS

SUPPORT FOR PARENTS AND CARERS

EMPOWERING OUR CLUSTERS | LEARN HERE

Why is school attendance so important?

We want all our children and young people to realise their full potential.

Excellent attendance at school is important to allow your child to fulfil their potential and for them to have the best start and brighter future.

Below are just some of the key reasons why it is so important children attend school:

- To have fun and opportunities to experience new things
- To develop new skills for learning, skills for work and skills for life
- To understand responsibility
- To make new friends and build positive relationships
- To develop awareness of other cultures, religions, ethnicity, and gender difference
- To celebrate achievements with friends and peers
- To attain in curricular pathways
- To build confidence, self-esteem and resilience
- To grow as individuals

Every school day counts

When you have a conversation with your child's school they will give you attendance in a percentage. This can be confusing! Have you considered the following:

100% attendance	0 Days missed	Gives your child the best opportunities in their learning and achievement
95% attendance	9 days of absence 1 week and 4 days of learning missed.	This will potentially impact on your child's progress in learning.
90% attendance	19 days of absence 3 weeks and 4 days of learning missed.	This will impact on your child's progress in learning, achievement and attainment.
85% Attendance	27 days of absence 5 weeks and 3 days of learning missed. This is almost a half term.	
80% Attendance	36 days of absence 7 weeks and 3 days of learning missed. This is a half term.	
75% Attendance	45 days of absence 9 weeks and 1 day of learning missed. Almost a whole term.	

DID YOU KNOW

MISS SCHOOL MISS OUT

Did you know...?

There are **190 days** in each school year

That means there are **175 non school days** for holidays, birthdays and appointments!

90% attendance may sound good but = **19 days missed** each year

2 school days missed each month during your school life adds up to **1 whole year** of school lost

15 mins late every day = **2 weeks** of lost learning each year.

In primary school there are **25 hours** of learning each week. 4 weeks missed = **100 hours** of learning missed.

Some Children and Teens find it hard to come to school. Tell the school as soon as you can if there is a problem.

Don't worry.. You are not on your own, we are here to help and to work with you and your family.

Working Together we can do it and make sure your child does not MISS OUT

Is it ever alright for my child to be off school?

Your child can be off school if:

- They are ill
- They are attending a doctor or hospital appointment
- They are going to a meeting about a Children's Hearing or court, or if they are going to a Children's Hearing, case review or court
- If they are involved in an activity and the school agrees in advance
- Someone close to your child has died
- There is a crisis or serious difficulty at home or in your family
- They are going to a religious ceremony or a wedding of someone very close to them
- You are a Gypsy/Traveller family and while you go travelling you keep in touch with your child's teacher
- Your family is returning to a country of origin for cultural reasons or to care for a relative.

As long as you have informed the school of the reason why your child is off, and the school is satisfied that this is a valid reason, these would be called authorised absences.

However this is still recorded as an absence for your child.

Top tips it's good to talk!

Any child currently avoiding school is likely to become nervous when they are asked about their worries or returning to school.

These questions can help to start the conversation about feelings and fears.

- What are the three best things about school?
- Would you prefer to text, draw or write about it?
- What three things are you most worried about?
