

# Maths Week Bingo!

How many of these activities can you complete during Maths Week Scotland? Can you complete a row across, down or diagonally for House Points? Or even the entire card!

- Complete 1 row (across, down or diagonally) – **30 House Points**
- Complete 2 rows (across, down or diagonally) – **70 House Points**
- Entire card – **150 House Points**

Share your activities with us via email to win your points!

[NLRobertsonA@northlan.org.uk](mailto:NLRobertsonA@northlan.org.uk)
