

Literacy - Sounds

I know the s letter. The song is about a snake in the grass. We had to write S in foam!

We ♥ the sound songs!

I know about the p sand. Pancake starts with p, so does pig. We made P with playdoh!

I've been learning about r with Miss F.

Freddie sang the Jolly Phonics song. 😊

We know about lots of sounds. The TV in the class helps us with this.

We use the boards to write letters.

We need to write the letters on the line. Then we pick our favourite one.

When you write a p the tail goes under the line.

We know about the a sound. I can sing the song. I can write an a. My name has an 'a' in it.

Miss F gives us clues. We have to pick things from *

We play games to help us learn. We had to feed the alligator.

We had to find pictures with sounds in them.

I had to think about the sound at the start of the pictures and match them.

This was a P2 task but P1 did it!

A her cauldron. We need to guess the sound at the start. The one at the start is the sound we are learning about. She picks people to pick them out. Only people who are sitting nicely get picked.

We need to learn about sounds to help us write.

We need to learn sounds to help us with words.
