Our class company was called 'Merry Grinchmas'. Our product was grinch dough.

MATHS

We had to think about our skills. The teachers then thought about who would be a good fit.

We used the Animal Me quiz. There were lots of questions to answer about yourself.

At the end it told you what animal you were and your skills. I was a Polar Bear.

Doing this helped me fill out my application form because I would have found the skills part hard.
