Day**

# Sharing a picnic

**Think of a picnic which two children are going to share equally – what will they each have?**

How could we share the pizza fairly?

What about a bowl of tomatoes?

A bunch of grapes? One apple? A cake?

**What would you have in your picnic that could be shared with a friend? Draw a picture and show how it could be shared.**

**Curriculum Link:** Recognise, find and name half as one of two equal parts; recognise two quarters are the same as a half.

School level: Y1/P2
